## TOWN MEETING MARCH 10, 1959

### Minutes of the Annual Town Meeting of the Town of Nelson

The meeting was called to order by the Moderator who then read the Town Warrant and the following articles were acted upon.

Article 1—"To choose all necessary town officers." The following were nominated for the office of Selectman to serve for three years.

Robert Hatch

Mrs. Janet Tolman

A letter was read by Mr. Newton Tolman to the town in regards to electing a selectman, discussing the duties of the selectmen pertaining to tax assessments in the town and the need for adjustment in many cases.

A total of 57 votes were cast making 29 necessary for choice. Mrs. Tolman received 25 and Mr. Hatch 32. Mr. Hatch having been elected was duly sworn in by the moderator.

The following officers were also elected to serve for one year and were duly sworn into office by the Moderator.

Town Clerk—Mrs. Priscilla T. Walter

Treasurer—Mrs. Florence Tolman

Tax Collector—Mr. Frank Upton, Sr.

Road Agent—Mr. Arnold Miner

Constable—Mr. Lewis Tompkins

Police Officer—Mr. Frank Upton, Jr.

Fire Chief—Mr. Joseph Dobson

Civil Defense—Mr. Kenneth Balch

Sexton—Mr. Winston French

Auditor—Mr. Sidney Partridge.

Mrs. Dorothy French was elected to serve for three years as Trustee of the Trust Funds and Mrs. Janet Tolman was elected to serve for three years as Trustee of the Library. Both were sworn in by the Moderator.

Article 2—"To raise money to defray Town Charges". Voted accepted as read, the amount being \$7995.00.

Article 3—"T.R.A. appropriation". The amount of \$466.05 was raised and appropriated after the following discussion. There was public opposition to finishing the T.R.A. on Tolman

Pond Road from Dixon Hill on, due to the fact that a wider and better road would encourage traffic speed and racing and therefore be dangerous to the people who lived so near the road thereby spoiling it for summer residences. It was also the opinion of the meeting that Road #72 be hard-topped with T.R.A. money as far as it would go beginning from Route #9 in Munsonville. It was also suggested by the meeting that the Selectmen be instructed to submit a report to the Town meeting of where they believe the T.R.A. should best be spent, in the future.

Article 4—"Road maintainance Money". The amount of \$9250.00 was raised and appropriated for the maintainance and upkeep of the Town Roads, for summer and winter maintainance and repair of roads and bridges.

Article 5—"New Culvert for Center Pond Road" The amount of \$600.00 was raised and appropriated for repair of culvert carrying outlet stream of Center Pond, under highway.

Article 6—The amount of \$300.00 was raised and appropriated for the purchase of metal culverts.

Article 7—The amount of \$600.00 was raised and appropriated for the purchase of calcium chloride with the article amended to read:

"To see if the Town will vote to raise the sum of \$600.00 to purchase calcium chloride and/or waste oil for use on Town Roads".

This amended motion was accepted as read.

Article 8—The town accepted the article as read authorizing the Selectmen to borrow money in anticipation of taxes.

Article 9—The amount of \$150.00 was raised and appropriated for the support of Old Home Day (\$100.00) and Memorial Day (\$50.00).

Article 10—It was voted to pass over this article and that it be indefinitely postponed, the article being to support the Monadnock Region Association, in the amount of \$96.00.

Article 11—The amount of \$130.00 was raised and appropriated for the support of the Elliot Community Hospital.

A motion made and seconded to pass over this article was voted out and the article carried.

Article 12—The amount of \$500.00 was raised and appropriated for the maintenance and improvement of the cemetery.

Article 13—"Civil Defense". A motion to amend the article to read \$100.00 instead of \$250.00 was voted out and the amount of \$250.00 was therefore raised and appropriated for the use of Civil Defense purposes.

Article 14—The motion was made and seconded to amend the article making the amount to be raised \$300.00 instead of \$400.00 for the use of construction and maintainance of fire trails and water holes. This amended motion was voted and accepted as amended.

Article 15—This article was accepted as read, giving the Selectmen authorization to sell at public auction to any proper buyer any and all parcels of property conveyed to the Town by tax collector's deeds and to execute, acknowledge and deliver appropriate deeds thereof.

Motion made and seconded that discussion and speeches be limited to five minutes per person at any one time.

Article 16— The amount of \$563.49 was raised and appropriated for the purpose of purchasing a road rake. The article was accepted by a majority voice vote.

Article 17—"To see if the Town will vote to raise the sum of \$4200.00 for the purchase of a truck." A motion was made to amend the article to read as follows "To raise and appropriate the amount of \$4500.00 for the purchase of a truck and plow and that a committee consisting of: The Selectmen, the Road Agent, Mr. Edward Murdough, Mr. Huber and Mr. Frank Upton, Jr., be empowered to decide what kind and to purchase such a truck." A vote by written ballot was asked by the meeting. A total of 54 votes were cast making 28 necessary for choice. 34 yes and 20 no. The motion was adopted as amended.

After much discussion and debate over the articles 17, 18 and 20, it was decided by the moderator to call a recess so that the selectmen could call our Town Council for necessary information regarding legal wording of the bond issue.

After recess selectmen reported that Town Council stated that a bond issue (article 20) in order to be acted upon must contain a definite sum of money and a purpose for the money to be raised. Therefore the bond issue (article 20) was found to be illegal and accordingly the following motion was made by Mr. Raymond Huber.

"That the selectmen petition superior court for a special Town Meeting to be held April 4, at 7:30 at the Nelson Town

Hall." This motion was accepted unanimously.

A motion was made to reconsider Article 17 and the chair ruled reconsideration.

Article 17—Motion made and accepted to pass over article.

Article 18—Motion made and accepted to pass over article.

Article 19—Motion made and accepted to accept article as read and the amount of \$2000.00 was raised and appropriated for repair and maintenance of present Town Grader.

Article 20—Motion made and accepted to pass over article.

Article 21—Motion accepted as read. \$1000.00 for maintenance of Fire Department.

Article 22—"To see if the Town will vote to make the following roads or sections of roads subject to Gates and Bars; as amended was voted and accepted.

1. Road #70 from the property of Mrs. Irene Tompkins southwesterly to the Sullivan Town Line.
2. Road #83 northerly from the Teppema property.
3. Road #80 from road #64 southerly to the Harrisville Town Line.
4. Road #81 from road #67 southwesterly to the Roxbury Town Line.
5. Road connecting roads #66 and #81 near the property of Mr. and Mrs. Cornelius P. Trowbridge.
6. Road #82 from road #66 westerly to the Roxbury Town Line.
7. Road #50 from a point 165 paces beyond the house belonging to Mr. Joseph Skinner southeasterly to the Harrisville Town Line.

Article 23—The amount of \$500.00 was voted and appropriated by the town to be added to the Reserve Fund and it was also voted that money received from rental of town equipment, after labor expenses have been taken out be added to this reserve fund, it being understood that no withdrawal either from principal or accumulated interest may be made except by vote of the Town for purchase of new road equipment.

Article 24—"Reserve Fund for Fire Department". This article was passed over and therefore voted no money be raised.

Article 25—The Town voted and appropriated the amount of \$200.00 for the purpose of repair and renovation of the interior of the Town Hall. The motion was made and seconded to accept any and all donations for this project. It was also moved that the same committee continue for another year and that Mrs. Eleanor Upton be added to the committee to take the place of the late Mr. Johnson. A vote of appreciation was made for work done on the interior of the Town Hall.

Mr. Wm. McIntire offered an Electric stove for use in the Town Hall.

Article 26—This article was voted out and no money was raised for re-appraisal of the town properties, in view of the fact that several voters thought the assessing could be adequately and fairly done by the selectmen and an able committee.

## RESOLUTIONS

---

WHEREAS, House Bill No. 413, An Act providing for the acquisition of the so-called Island at Nubanusit Lake, is now under consideration by the committee on Resources, Recreation and Development, and

WHEREAS, House Bill No. 413 would authorize the purchase of the so-called Briggs property, situated in the town of Nelson, by the State of New Hampshire, to be held as a wild life preserve, and

WHEREAS, said property constitutes the third largest valuation of any single property in said town, and as such represents an annual tax income to the town of well over \$1,500.00 per year, and

WHEREAS, the acquisition of said property by the State would preclude any further private development of said property, depriving said town of a potential considerable increase in taxable property valuation, thereby inflicting serious economic injury to said town, therefore be it

RESOLVED, that we, as residents and taxpayers of the Town of Nelson do hereby express our strong opposition to House Bill No. 413, and be it further

RESOLVED, that we respectfully request the committee on Resources, Recreation and Development to consider these facts during their deliberations on said bill.

RESOLUTION adopted at a Town Meeting of the Town of Nelson held on April 18, 1959.

## REPORT OF SELECTMEN

---

In accordance with the wishes of the voters as expressed in the regular and special Town Meetings, your board negotiated notes in amount of \$10,000, for the purchase of road equipment.

The notes bear interest at the annual rate of  $2\frac{1}{2}\%$  and payment of principal is to be made in amount of \$2000.00 each year, the first payment becoming due December 1, 1960.

Equipment purchased was as follows:

Road Rake	\$ 563.49
Loader	4495.00
Truck	3826.00
Plow	1115.00

Many conditions contributed to the high cost of winter maintenance, the principal factor being the severe damage to our highways caused by fall floods.

T.R.A. funds were used in repairing and resurfacing the Murdough Hill Road.

Mr. Lewis Tompkins resigned as a police officer and Mr. J. C. Poland was appointed. Mr. Henry Lovering was appointed as a special officer, both terms expiring March 8, 1960.

An intensive study was made of assessed values of property in the town and your board wishes to express its appreciation for the valuable advice and assistance rendered without charge by Mr. Robert Cunningham, an appraiser for the State Tax Commission, and by Mr. Newton Tolman.

The conclusions arrived at resulted in an increase in assessed valuation of \$176,822.00 and a reduction of 22% in the tax rate.

The town line between Nelson and Antrim was re-established with the cooperation of the selectmen of that town.

Your Planning Board held two public hearings at which a proposed ordinance was presented and discussed. A revised ordinance will be presented for action at a special town meeting to be held February 15, 1960.

In accordance with the resolution adopted at the Town Meeting held on April 18, 1959, your board expressed the

opposition of the town to House Bill No. 413 by personal appearances at the State House in Concord and at Lake Nubanusit with the Legislative Committee.

We also wish to express our appreciation for the co-operation accorded us by the other town officers and by many of the other property owners in the town.

## REPORT OF THE CIVIL DEFENSE DIRECTOR

Your Director is happy that another year has passed without the necessity of this department having to be activated to cope with a real emergency. It is hoped that such will always be the case but wishes to advise the town that at both state and national, as well as local levels plans exist with trained and willing personnel to effect them to insure the safety and well being of the citizens should such an emergency arise.

It was thought, at the time of the fall flooding, when so many travelers were stranded in town due to the impassability of the roads, that it might become necessary to arrange housing for these people. If such had been the case facilities were available and a plan for the care of these people ready to go into effect.

The annual Civil Defense exercise was held on April 17, 1959 at which time the alert signals were transmitted to your director and relayed to the area. The C. D. Truck was manned and members of the local staff assisted in handling both the truck and in the control of local traffic.

Again, thru the co-operation of the State Civil Defense authorities as well as the N. H. Distributing Agency it has been possible to obtain surplus materials for the use of the town at very small cost. By the expenditure of \$74.90, from monies appropriated by the town for this department, materials with an acquisition value of \$903.60 have been acquired.

Your Director has again enjoyed the greatest co-operation from all members of the Town and State families and wishes to express his appreciation for same.

Respectfully submitted

## REPORT OF THE NELSON FIRE DEPARTMENT

---

It is again my pleasure to be able to report another year has passed with Nelson sustaining no serious fire loss.

Twelve calls were answered by the department in 1959, 9 for alarms of fire and three for flooding conditions. In none of these cases did any serious damage occur. It is hoped that the reason for the small losses sustained may be attributed to the promptness in which both fire equipment and men responded when called.

As usual, through the Mutual Aid system, outside help came promptly and willingly when called. It was pointed out by one citizen of the town that it was a comforting feeling to pass the Nelson fire house one day when both pieces of our equipment were out on a fire to see the Harrisville truck with eight Harrisville firemen occupying the Nelson station to take care of any call that came in while our department was busy—such is Mutual Aid.

It is my belief that each passing year sees this department better trained and with more tools to work with to do a good fire fighting job. Civil Defense has supplied much equipment and through our own fund raising activities we have added needed fire fighting tools. There are presently twenty five interested and active firemen in the department and all work together drilling and in caring for the equipment in an effort to have an efficient fire fighting team.

An article in the budget pertaining to the purchase of new fire hose is, I believe, worthy of the towns serious consideration. It has been a number of years since hose has been purchased and at the last regular hose test it was necessary to discard a number of lengths of hose as unserviceable. It is essential to have serviceable hose to use in containing a fire. It is the hope of your chief and the members of the department that favorable action will be taken on this article.

Again may I express the thanks of the Nelson Fire Department to the townsfolk for their cooperation and again advise them that this department is ready to serve them whenever and wherever needed.

Signed

Respectfully submitted

Nelson Fire Department

I hereby certify that I have examined and audited the accounts and records of the Selectmen, Town Treasurer, Tax Collector, Town Clerk, Trustees of Trust Funds, Library Trustees and Road Agent and found them to be in good order. Vouchers and cancelled checks were compared with supporting invoices and payrolls as well as entries in the books of record. Receipts were checked by source in so far as possible and total of receipts and expenditures verified. Book balances were verified by comparison with reconciled bank balances made from statements obtained from depository banks. Balance due on long term notes was confirmed by letter from the lending institution. Verification of uncollected taxes was made by mailing notices to delinquent taxpayers as indicated by the Tax Collector's records. Special tests of the accounts and records were made as considered necessary.

MINUTES OF THE  
ANNUAL MEETING OF THE  
NELSON SCHOOL DISTRICT

March 7th, 1959

---

The meeting was called to order at 7.43 P. M. by the Moderator, Francis W. P. Tolman, in the Munsonville School. Approximately forty-five persons were present. After the reading of the School Warrant, the Articles were acted upon as follows:

Article 1. Francis W. P. Tolman was elected Moderator for the coming year with one ballot cast by the Clerk.

Article 2. Mrs. Eleanor J. Upton was elected Clerk for the ensuing year with one ballot cast by the Moderator.

Article 3. George H. Staples was elected a Member of the School Board for the ensuing three years with one ballot cast by the Clerk. Mrs. Mildred L. Huber was elected as a member of the School Board for the ensuing year with one ballot cast by the Clerk. Mrs. Huber served for the remainder of last year, due to the resignation of Mrs. Dorothy Leonard.

Article 4. Mrs. Irene Tompkins was elected Treasurer for the ensuing year with one ballot cast by the Clerk.

Article 5. (Rodger M. Tolman) "That this Article be passed over as it will be acted upon under Article 8".

The motion was seconded, and passed by voice vote.

Article 6. Sidney F. Partridge, School Auditor, spoke at length on his audit of the District's records, explaining that the tax rate was based on the original balance sheet, not on the revised sheet, and related difficulties in completing the audit.

Rodger Tolman discussed the School Board's reasons for the way its records were handled and entered. As there were confusing misprints in the Town Report concerning school figures, Mr. Tolman suggested that those present correct the mistakes in their own books.

Article 7. Sidney F. Partridge was elected Auditor for the ensuing year by one ballot cast by the Clerk.

There were no Agents or Committees to be chosen at this time.

Article 8. The School Board submitted the following motion, which had been approved by the State Board of Education :

Motion: "Moved that the school district raise and appropriate \$25,787.00 and to authorize and direct the school board to apply against said appropriation such income as is estimated by the school board exclusive of state aid, and upon the determination of the amount of state aid to be received by the school district during the next fiscal year, to authorize and direct the school board to apply against such appropriation the sum to be received from state aid and with the school district clerk certify to the selectmen the balance as an assessment to be raised by the town for school purposes."

The motion was seconded.

After the Moderator had read this motion, Rodger Tolman asked for questions pertinent to items in the budget. It was explained that Mrs. Louise Bergeron, primary grades, would receive a \$300.00 raise as teacher and \$100.00 as principal, making a total of \$3,700.00; Mrs. Mary Brooks, upper grades, \$200.00 extra, a total of \$3,500.00; and slight raises for the nurse and helping teachers to compensate for travel. George Staples, Chairman of the School Board, submitted the helping teacher's report to the Moderator for reading.

The motion passed unanimously by voice vote.

Article 9. The School Board submitted the following :

Motion; "It is moved and seconded that the district authorize the school board to enter into a tuition contract with the Keene School District for tuition at Keene High School at the rate of \$458.00 per pupil or with other approved schools.

Secondary: After a short discussion period, Mrs. Priscilla Walters asked,

Motion: "That the Motion be accepted as read." Seconded and passed by voice vote.

The primary motion was then voted upon and passed unanimously by voice vote.

Article 10. The School Board submitted the following :

Motion. "It is moved and seconded that the district raise the sum of \$100.00 to be used as matching funds for Federal

Aid under the provision of the National Defense Educational Act for the use in science and Mathematics.”

During discussion, it was pointed out that this article would enable the District to purchase helpful equipment at half-price. As the emphasis is on science and mathematics due to world competition in these fields, the Board felt this motion would benefit the pupils.

The motion passed unanimously by voice vote.

Article 11. The School Board submitted the following:

Motion: “It is moved and seconded that the district raise the sum of \$50.00 as the districts share of support for Educational TV Channel W.E.N.H.”

This project is not yet available to the schools, but the request has been made by the University of New Hampshire for this Union to share in \$1000.00 to help in building it.

The motion passed by voice vote after discussion.

Article 12. The School Board submitted the following:

Motion: “It is moved and seconded that the district authorize the school board to send eighth grade pupils to the Keene Junior High School and that the district raise the sum of \$1400.00 for their tuition.”

The School Board suggested that those responsible for this motion discuss their reasons for wanting its passage. A lengthy debate followed showing the parents in favor as more competition and equipment were available in Keene - those opposed, stating that considering the crowded conditions in the Junior High, as much could be accomplished in the enlarged Munsonville School. Mrs. Janet Tolman gave a report on her visits to the Junior and Senior High Schools for a first-hand account of conditions.

Secondary “That the written ballot be used for voting on this motion.” Seconded and passed by voice vote.

Results of vote on primary motion:

No - 28 votes

Yes - 11 votes

Total cast - 39 votes (Necessary for choice - 26)

The motion did not carry.

Article 13. "Other business":

As the old desks are gradually being replaced with new ones, the School Board asked for suggestions for disposal of the old. It was felt that they could be sold to individuals or given to the Packersfield Club for auctioning. The School Board's discretion will be acceptable.

The formation of a Playground Committee was suggested. The suggestion was accepted by voice vote and the following committee chosen:

Mrs. Maxine Dobson  
Leonard Frazier  
Mrs. Priscilla Walters

Motion (10:46 P. M.) "That this meeting adjourn".

Seconded and passed unanimously by voice vote.

Respectfully submitted  
Eleanor J. Upton  
School Clerk

A true record.

## REPORT OF THE SUPERINTENDENT

---

It is a pleasure to report to the citizens of Nelson as Superintendent of Schools. I have visited the school many times this school year and found good educational practices and procedures being carried out. It is my belief though, that the eighth grade students should be sent to the Keene Junior High School in Keene in order to enable these students the advantage of exploration and experimentation, which is most important in determining the curriculum for Senior High School. This exploration and experimentation allows students to find out their strengths and weaknesses in order to achieve success in later secondary study.

At the Nelson School, I am pleased to find the stress of the 3 R's which is very important for later academic study, and at the same time, teachers providing opportunities to develop attitudes which will lead to healthy personalities, good work and study habits. It is the goal of our school to inspire and challenge all students to the highest levels of personal development and academic achievement.

May I take this opportunity to express my appreciation to the School Board members, teachers and citizens of Nelson for the splendid courtesy and cooperation given me.

PAUL L. CLARK,  
Superintendent of Schools
